“ *Annette, Shelly and A.J. Those are the names you were called by when I babysat for you years ago. We lived on University Street, between Henderson and and Fess. You kids and your parents lived on the corner of University and Henderson, just two doors down. Your mom baked cakes back then. I was a teenager, and used to come and help with the cakes and help watch (play with) you kids. That Crisco icing, and your Mom's hearty laugh, and all of you adorable kids...some of my favorite memories as a young teen. Hope you all have good and happy lives. I know you will miss her, but she will always be with you, laughing down from heaven!*

“ *Alice has been my childhood friend for over sixty years. Although we didn't see each other often, we would laugh and talk about old times in our childhood. My prayers are with her children and family. I will miss Alice as a true friend.*

“ friendship is something Alice gave openly and freely. She was a dear friend to us and so sorry we are unable to be there. Distance didn't change our friendship and when we got together even when it had been a couple of years we quickly caught up on family and activities. Last year when I saw her we spent time sharing our faith stories and I have no doubt that Alice is enjoying the "Glory of Heaven" and smiling her sweet smile. Could not ask for a better friend to us both. Our love to the family and know you are in our thoughts. Linda & Ed Hewitt
