“ It is so sad reading that Allen had passed away. I knew Allen from Edgewood up until I moved out of the district my Freshman year and Allen was a year older. I remember him being so kind and friendly. Thoughts and prayers to the family. John Schurtter

“ We really liked Allen. His passing is so sad; we saw him the day before mowing the lawn. Our fondest memory is when he knocked on our door several years and asked if it was alright to pick mushrooms in our woods; we finally said, "You don't need to check with us again. Pick mushrooms there anytime you want." He grew up in, and lived for many years, in the neighborhood, and he will be greatly missed.

“ From the 1st time I saw you, I knew we would become friends. The love of family & outside was our connection. That's been more than 30yrs ago, I'm so glad we hugged & chatted just a few months ago & I'm just so sad & sorry your gone. My heart aches for your kids & those beautiful grandkids I always heard about. You loved them all so much, the sparkle in your eyes when you spoke of them I will never forget. I will forever have you in my heart my dear sweet friend ❤️ Forever Love 🙏
