“ Dear Amanda, words are inadequate to describe how I will miss you. You were a blessing in a lot of people's lives. I'll cherish the memories we made in high school and the trouble we got ourselves into for the rest of my life. I still smile all these years later. I can find peace in knowing that I'll see you again someday. Love always BBF

“ *Amanda was always sweet and kind to me and was a great friend to my Son, Jonathan VanWyngarden, who died at Christmas. I hope they meet in some heavenly place and share some more good times together. I know the heartbreak of losing a child, so my prayers are for her parents as I'm sure she's in a better place.*

“ I am lost for words. I worked with Amanda at the Tobacco Store. I am so very sorry for your lost. She was a very sweet person. One memory that sticks out is when she lost her front tooth. She handled it very well. We all laughed a little. She will be missed for her smile as well. So deeply sorry. Praying for her family and friends. Again all I can say is I am so sorry. We just don't know when our time will be. She was just way too young to be leaving this early in her life, just so sad.
