“ *My brother, Norman, was Audrey's classmate at Stinesville and I was just two years behind them. We were neighbors (such as you can be when you live in the country), rode the same school bus for many years and Audrey was always smiling and friendly to ALL. She inspired me to maintain such a positive outlook! Although we seldom saw each other in later years, every time I saw Audrey she knew me and greeted me with that same lovely smile! My fond memories of her are warm and positive - she made a difference! My love and condolences to her family. I know she will be missed.*
