“It makes me sad to hear of Beverly's passing. We have been friends since grade school, she is a sweet person and I really enjoyed knowing her. I sorry also that I am unable to be there to share in the memories of her, her family and our friends. My prayers go out to all who share in missing her.

“ I grew up with Beverly two houses down from her. She was my sister Jane's age and they were good friends. We married brothers so we became sister-in-laws and remaind friends throughtout the years. Their were four couples that got together many Sat. nights to eat and play cards. I will miss her even though we did not visit very often in the past few years. Right in peace Bev.
