“ Bonnie had the biggest heart, and if you were her friend she was truly your friend and was there for you...I worked with Bonnie and had some of the best memories with her, loved her strawberry shortcake! She will always have a special place in my heart. We made a quilt together and I will cherish it forever!

“ I have laughed, I have cried, I have loved, I have hated, but my greatest accomplishment was being able to know you for the last 16 years. We have many memories together but my favorite is the one summer I quizzed you on all our family, just so you would remember. I will miss you greatly, but now you are with the ones you love. I love you and miss you, you will forever have a place in my heart!
