“ *My family is new to "the neighborhood" but Jay and his beautiful family have been so welcoming. Our hearts break for them with this tragedy and we offer our love and support during this very difficult time. It is a time when i ponder and ask God "Why?" and only through His Grace am able to realize it was His choice and there is a reason for it even if we don't understand.*

*With deepest sympathies,
Brenda, Tony, Grayson, and Ray*
