“ *Dear Dawn, and all family members. So very sad that your son pass away at an early age.*

May God wrap you in his loving arms, give you comfort, and strength at this sad time, and forever.

I didn't know Bryan, but I do know you, Dawn, and your sisters and brother.

We want to send our condolences to the whole family.

I know Dawn, you are a devout Christian. I remember what you said at your Mother's Funeral.

That was very beautiful.

Lean on God, he will help you in his own way.

God Bless, and many prayers,

Your cousin, and husband. Feel free to email me.

“ *Dawn, I am so sorry for you loss. I had no idea. Please know that I am praying for you all and that you are never far from my thoughts.*

I had actually been thinking of you for the past 3 weeks wondering why you were on my mind so much. God must have known you needed some extra prayers.
