“ You were there when I took my first breath and I was there as you took your last. I am glad you are no longer in pain. I am going to miss you so much. You have taught me many things I will never forget. I love you. You will always be in my heart. I will see you soon!

“ Grampa Dave you will be missed by so many. I only met you one time when Tiff and I stayed a week with you and grama Mary, but I will never forget that time. Loved spending time with you both and came to love you as my own grampa by the end of our trip. Thank you for giving me a ride on the bike it was an amazing time. So sad you left this earth to early, but so happy you are no longer in pain and dealing with a horrible illness. RIP grampa and ride forever in the clouds. Sending love, peace, and comfort to the entire family.
