“ It doesn't seem real yet and I'm still struggling with the thought of not having you around anymore, Grandpa. When I walk downstairs and you're not there, it hits me. I'm saddened because you're not with us but so thankful for all the time I was able to spend with you. You didn't say "I love you" very often, but you showed me how special I was to you by all of the things you did for me and taught me throughout my life. I know you'll be watching over me. God gained another angel and He sure does take the good ones. You will never be forgotten Grandpa. I love you and miss you more than words could ever express.

“ *Andy was a very loving man. He made my son a personalized toy box when he was young just as he had for his grandchildren and Jordan still has it in his room at his own house. What a great man,.*

“ Such a WONDERFUL man. I remember many weekends spent in Ellettsville when Tanja and I were in college. I always loved going there. Andy and Linda treated me just like one of their own. They were both very special people and are both angels in heaven now!! May the family find comfort in knowing they are together in heaven. Love, Nancy and Tim Utt and Kristen
