“ I am so sorry to learn of Eleanor's passing. I had been ill and not able to visit my friends at Golden Living for several weeks. Eleanor was a very special lady to me, always deeply appreciative when I would play piano during mealtimes. She would "conduct" as I played and other tablemates playing percussion instruments. We had a wonderful time together. I will never forget her sweet smile and keen sense of humor, nor how she comforted me in my dad's passing only a year prior to her own. Christine, you and your family are in my prayers. Had I known and been well, I would have been at her service. But do know how very much I loved her as my own family. With much love and prayers,
Carole Canfield ("the piano player")
