What a great person, husband & family. I'll always remember it being a special occasion to go visit Chuck & Faye. We Holsapple's lived away, but made frequent trips to Ellettsville to visit family since the 50's after we moved to Evansville. I miss those times so much now>> including all the family & friends that are gone now. I remember although I only was at their house one time on a Saturday night > that was family night with hamburgers !! Wow, what a great family & good people.
