“ Dear Brenda, Kelli, Kendra, and Cindy,
I'm so sorry to hear of your loss. Although I hadn't seen Fred for years and years, I was fortunate enough to see him one last time in 2012 and we shared another laugh over "loose change." I'll always remember his warm sense of humor and the time he took us basketball girls out and bought us each a Tin Roof "with shingles."

Love & Blessings,

“ It was so nice to see all of you after so many years. Dallas and I will always remember the AAU basketball days and how excited the girls were when Fred brought the RV to the away games. We are truly sorry that Fred was called to Heaven at such a young age. What a wonderful family support group he had towards the end. Thank you for letting me be a part of his health care. Our thoughts and prayers are with you at this time of sorrow.

“ *Brenda and Kendra I'm so sorry to see this. I remember Fred from way back when he rented my grandmother's house for a while. And then our daughters (Jennifer and Kendra) went to school together and I got to know Fred again. My thoughts and prayers are with you and the family.*

Norm and I will not be there in person but our hearts go out to you in a very special way, we not only worked with Fred, but you guys were great friends and neighbors to my parents Ralph and Jean when they needed friends and neighbors and you both also helped Karen and Cort cope with their loss.
