“ Sara,
I am sorry to hear of your dad's passing. I am thankful for the memories I have and really thought an awful lot of your parents. They are salt of the earth kind of people. You and your family are in my prayers.

“ Deepest sympathy to Gary's family from a longtime former colleague at IU Press. Gary's always friendly and helpful manner were greatly appreciated during his many years of outstanding service. I recall reminiscing with him in my office the day of his retirement--we reached back a long way and our shared memories of people and happenings triggered many smiles. I am saddened by his death. “ I visited Mr. Peach about once a year, and very much enjoyed our talks. He was always so nice, pleasant and insightful. I was thinking of him the other day; thinking that I needed to call and talk with him, and then I read of his passing. What a terrible loss; I am so sorry for his family, and I pray that God delivers strength and peace to all his family. We all know that he is with the Devine now...healthy and happy. He will be missed....
