“ *George, you are and always will be my bulls*** brother. we love and will miss you more then life its self. You was moms back bone. the one who always was there for mom and helped her so dang much.You are the brother that never had a problem getting your hands dirty. no matter what you had to do for your family.you were there for all of us. We never gave you all the respect that you really needed. Baby brother thanks so much for our last secret that we had and the talk we had that you kept to your self. I love you George. Our family tree is broken once again. but the love and memories will always be in our heart. You may be gone in life but you will never be forgotten, Go find Dad, Denvert, Larry and Ronnie. We will all be there some day with all of you. You will be another angel that we have in heaven. love your sis Londa and family.*
