“ I will always remember making mud pies with my Aunty O and how she loved nature. She told me once about picking blackberries when she was a girl and how her mother let her bake a pie and how she was bragged on by her dad for providing the dessert for their family.

Ida and I met a few years ago when she was in therapy and reunited when I came to McCormick's Creek. She knew me quickly and called me by the nickname she gave me years ago. I was glad to get to know her. She will be missed.-from her Mighty Might. (Melanie Hughes)
