“ *wishing the Jordan family my deepest sympathy in the passing of a great cousin and family man who served his country with great pride in the Korean War. He will be sadly missed by all who knew him and may his family and friends find comfort and strength in the trying times. He is now with God now and no pain. He is planning his family reunion with my Mother , Father and dear friend Minnie. May you all rest in peace and we will see you someday. Love and miss all.*
