“ A bit late in writing this but just had to wait. I met Jane in the late 80's when she began giving me a massage and we quickly became friends. Jane taught me so much! I was always a pretty straight forward person and no give for change in my life. With Jane, her family and wonderful friends I began seeing that I need to relax a bunch a begin taking things as they come. I went on my first wine tours with Jane, Sherrie and Sharon and learned to like wine, Jane and I took two trips to Missouri and it the wineries there and what a good time we had! Had my first wine shake with Jane in Zionsville - and we saw many movies together. Loved playing cards with her and the family, and euchre with the group also! I know I still have a long way to go to be as flexible as I would like but I know an angel will be there helping me. Of all Jane gave though, I am so glad she introduced me to her wonderful family and friends! Jane was a very special person

“ *"Hey Jane!" I used to yell that to her across the backyard. She was a great person and friend, a great neighbor, and a member of the Hudson family by default. She assumed the Kuruzovich legacy of watching over the Hudsons from across the yard. She never missed sending me a Christmas card or birthday card. Love you, Jane. You will be missed. Until we meet again...."Hey Jane!"*

“ Donna, Rich, Tom, Barbara and family. I am so sorry for your loss. I was one of your baby sitters in the late 50's. Jane was such a sweet little girl. I enjoyed time spent with all of you. I worked with your Mother and Dad for many years on the board of the Methodist Cemetery. Jane will be missed for sure. She was always very friendly when I would see her. Jane had a million dollar smile. Blessings to all of you.

“ I met Jane 18 years ago at a cookout I went to with my then new boyfriend Willard. I was nervous to meet everyone as I am kind of an intravert, but Jane welcomed me with open arms and made me feel welcome. I cherish the times we spent together and will always remember our trip to Mexico. Jane made sure to send me a framed picture of the location where Willard proposed. She was very thoughtful that way. You will be missed!

“ I will always remember the wonderful calendars you gave at Christmas, and all the Fridays at Yogi's. I will remember you when I put out my Christmas door wreath, the Christmas place mats and candle during the holidays.

“ I became friends with Jane in Jr. High School and have a lot of memories of good times we have had. Most memorable is all the time we spent at the old Ellettsville Branch Library when we both worked there, a job I wouldn't have had if it hadn't been for her. More recent was when she invited friends to help celebrate her 50th birthday in Indianapolis - we all had so much fun that night. I will miss her.

“ Oh Jane.....I'm so thankful that I came and spent a couple of days with you and we "wandered Indiana" for a few hours. Can't imagine this life without you here but whenever I'm missing you I'll think about all of the fun times we shared, camping trips, our trip to the Virginia Islands, our other travels and how we supported each other with the loss of family, friends and even our four legged kids. Not sure what I'll do without the calendar that you did for me every year.....You were more like a sister than a friend and thank you for always being there for me. You had a special place in Monty's heart to. Love and miss you already.
