“ I will remember everything about you. your smile was warm and comforting, your love was inviting and seamless. In any lifetime there will never be another mama that compares to the likes of you. you will be terribly missed but NEVER forgotten. I just hope you're up there dancing your white shoes off and listening to your favorite songs. Anything that I write here could never express how much I love you but it would equal more than any substance of matter in the universe . keep smiling. And watch over us as you always have. I love you mamaw Janice.
