“ Cody,
I hope things are going well and that this hasn't devastated you too much...I've been looking for you for probably ten years now, and I think I've found you but I don't want to show up unannounced...this is Kory, your half-brother. I figure now more than ever would be a good time to finally meet again. I'm here if you need anything. I'd really like it if you contacted me. My facebook is <https://www.facebook.com/Kory.hoff> and my phone number is 812-679-1124. Even just a text is fine. Hope to see you soon.

“ I have known John for a little over five years as I have done all of his advertising for him at The Hendricks County Flyer. I would talk to John every month to renew his ad and just to say hello and see how life was going. John was a wonderful, happy and kind person and I will never forget him! Sending my prayers to the Hauk Family. May God Bless you and your family John.

“ *Mindy*
Anyone that knew John realized it was the simple things in life that made him happy. Mindy, Cody, Brandi and Val was his true loves. Along with the occasional football game or having the time to fish. His easy disposition and gentle nature will be missed by all of us. Please Mindy, remember you're not alone and that we love you.
