Joshie, you showed your love for me in everyway possible. You were patient with me, understanding, loving and all around amazing. You were everything to me and I am never going to forget you. New Years, my graduation, the dentist office when you bought me my lil doggie, everything. I am forever going to be changed having known you, you were the best man that I have ever known. I am going to miss you everyday and you will never be forgotten. I will see you again one day.
