“ *MISS ME - BUT LET ME GO*

When I come to the end of the road

And the sun has set for me

I want no rites in a gloom-filled room.

Why cry for a soul set free?

Miss me a little--but not too long

And not with your head bowed low.

Remember the love that we once shared

Miss me--but let me go.

For this is a journey that we all must take

And each must go alone. It's all a part of the Master's plan

A step on the road to home.

When you are lonely and sick of heart

Go to the friends we know

And bury your sorrows in doing good deeds.

Miss Me - But Let me Go!
