“ Dear Vicki and Family,

so surprised to hear of Kevin's death. HE was so young. You are a great family. You and your family have endured many challenges. Kevin was always such a kind guy as I knew him. You and he have touched and enriched so many lives and there is a special place in heaven for you both. May the support and love from all of us who know you carry you and the kids and family through this tough time. I've always been inspired by you. Most Respectfully and Admiringly, Maureen Kipp
