“ *I miss my mother very much, but I know she is no longer in any pain. She always tried her best to make me, my sister, and brothers happy. All I keep thinking about is how she won't be there to see all of our accomplishments that we make. She will be watching us though from up above. I'm glad I got to spend the last week with her. We had an amazing time. And thanks for the new kitten mom. I love you!*

“ I just had a wonderful weekend with her doing what she enjoyed. She grilled the best steaks ever. We watched movies and went and picked her daughter up a new kitten. She was so happy and excited about this surprise. She was so looking forward to spending the summer with her girls. Kimmy always had a smile on her face when she talked about her kids. She loved her kids unconditionally and was proud of each and everyone of them. Kimmys love and joy came from her man Allen, her kids and her best friend in the whole world which was her mother Carolyn Spivey. I'm gonna miss her but now she's in heaven and no longer suffering..Love you sis...Shannon Meadows
