“ *I love you Lee. I have been numb, of course, remembering the pranking & fun-loving Cousin of our younger lives together. You were the most fun to be around!! I will never understand why you had to have that vibrancy taken away from you. I do believe that God has a purpose for every one of us, and you have always been a key to keeping our growing families together even though you probably didn't realize it. I am so relieved that you are finally happy. None of us will ever be as happy as you are right now until we get to be with you again one day. I will see your smile daily as I always have. Anytime I felt sad for you, the pity was always erased by your smile. You are free now, baby cousin, so enjoy your freedom once again. I Love You!!
