“ *Lenny,  
You will always be the best big brother anyone could ever ask for.  
Always quick with a smile and who loved a good joke. You were  
always there for me whenever I needed help or just someone to  
listen when I needed to talk.*

*I will miss seeing and talking with you big brother. I can only hope  
that I have just a bit of your courage to carry me thru until we meet  
again. All my love*
