“ I will miss her so much. When I retire I was planning on Mom and I visiting Lillian and going places together. I am glad our family has so much love for one another but at the same time we have to endure so much hurting at times like this.

“ Momma I miss you so badly! I know I'm not but without you I just feel so alone, you were my very best friend and the best momma anyone could ever ask for, the only thing that is halfway comforting is knowing you are now back with dad and Davey.
I love you so much momma!

“ Lillian was the Mother of my friend Lynn, and I remember every time I saw her she was always smiling, such a sweet soft spoken lady. This family has gone through many hard times lately but they handle it with grace and with love, especially love, and that is what I will always remember when I think of her parents and this family.

“ I remember going there and Lillian would watch me and my mom would roll down her big hill and would almost roll over cow poop. Lillian said if we rolled in it we had to hose off outside. I loved her laugh and i will miss her.
