“ *My thoughts and prayers to the family. Louise is my first cousin and we saw each other At the many Robertson Family Reunions in Cascade and Karst Park. I know she was battling a lot of arthritis pain these past few years. I know she is in a much better place. She will be missed. Janet Robertson Gibson*

“ *I am sitting here trying to find the right words to express our feelings about this wonderful lady Louise Raper. Always a huge smile on that face and a laugh that will never be forgotten. The sweetest voice. Louise, you were one in a million. You will be greatly missed and always loved by the ones left behind. It has been a pleasure for me(Lana) knowing you all my life. We love you.
