“ *Robert and I live in a condo next door to her. We didn't visit often but always enjoyed talking with her. It was our pleasure to give her tomatoes from our plants in the summer. We want to thank the family for keeping us informed about her hospital, nursing home, and hospice admissions during these last few weeks. Our prayer is for her family as they grieve, but most importantly, the memories that they share with each other and friends.*

“ Have such great memories of Lynn. From welcoming me into her home 40 years ago. To giving me my nickname of pickles. Putting up with Janis an my silliness. Sewing my bridesmaid dress for janis an Larrys wedding. To watching all us girls dancing in the livingroom. Such a great loving beautiful woman. Will be missing.
