“ Buddy - we were sad to hear of Marilyn's passing. We enjoyed her so much...what a sweet lady. I remember her positive attitude and smile. We miss you both. Bob was fishing out by your former house a couple of weeks ago. It was so cold and windy that he was wishing you and Marilyn had been there to bring out a hot cup of coffee!

*We pray God's blessing on you, Buddy.*

“ Buddy - We are so sorry to hear of Marilyn's passing. She was a sweetheart, and we always looked forward to chatting with her at church. She was so helpful in trying to give us ideas about how to keep the deer away from our flowers and shrubs. It sounds silly, but we think of her every time we are out there treating the shrubs. Please stop in at Trinity when you are in town so that we might say "Hi" and catch up with you. May God's presence be very real to you right now. Much love, Mike and Sandy Ryder

“ I always enjoyed sharing Hamlin Lake updates with Marilyn whether it was fishing updates , how many boats were out or the weather conditions . Mariyln eagerly volunteered to help with the Christmas Eve service - she wanted to make sure no children would get hot wax on their hands so she specially wrapped each candle . Buddy , may you be comforted by many wonderful memories and knowing God is holding her right hand in glory.
