“ Mary, we became friends so many years ago and shared so many memories and fun!! You even watched Phillip and Hillary for me.. They loved having you around and you even stayed over night because we had trouble getting a ride to work. You will be missed and loved always!! I remember telling you that Hillary was getting married to one of your favorite guys... BUDDY PATE!! You said how happy you were and that they would be wonderful together!! So many things I can say but this one last thing, the day you went to heaven, I got to talk to you, played a song I had on my phone, singing was Buddy and you opened your eyes real wide and said "WHOS THAT!!" I said it's Buddy, and I knew you smiled. So glad I kissed and hugged you and told you that I will always love you my sweet friend. Prayers for all of your family and loved ones there are so many !! Another angel in heaven!
