“Missy and I worked together at the bank 20 years ago. I remember we used to get together at Christmas time to make batches and batches of cookies at her house.....what fun! Everyday life might not have allowed us to talk as much or see other as much, but it was great to be able to keep up with her on Facebook . Missy always had a smile for everyone! She will be greatly missed. My deepest sympathies to Joey, Ryan, Cameron, Judy, Erin, Elaina, and Breana. Your memories of her will help to ease you through this time....keep her spirit alive in your hearts!

“Missy was one of the very first good friends I met when I moved to Indiana. We met at Tuckers IGA and continued on to Wettaura together. We were roommates in our early years and continued our bond through our later years. Missy and I went through many life changes together such as broken hearts, marriage, children, divorce, dating after divorce, just basically life's up and downs. We would go through life where we would talk, or text, or email every day and then life would happen and not talk for awhile but we would always pick up where we left off. She was always there for me and I for her. There are so many wild stories I could tell about us and so many fun times we had over the past 30 years. Though my heart is broken over the loss of a great friendship I know you are in a better place. I can't image you not in my life or talking to you. Until we meet again my dear friend, you will always be in my thoughts and prayers. -Chris_
