“ You almost never realize how much a person has truly touched others, until they pass. You hear the stories from people of the wonderful things that were done for them! This was Mike! He did so many selfless acts for others and never once bragged or told a soul about it. He didn't do it for recognition, he did it because that's just who he was! Fred and I are so thankful to have had you in our lives and wish it would've only been longer! 46 years was not enough! Jake has a wonderful home...one I know you'd approve of. Proud to say we had such an amazing person in our family.....Sending love and light to all those who knew and loved Mike. A hero to the end!
