

Mildred L. Wainscott

September 16, 1944 - July 8, 2013

Mildred L. Wainscott, 68, of Gosport, left for her eternal home on Monday, July 8, 2013. Mildred was raised in Owen County but spent most of her adult life in Indianapolis. In 1999 she retired from Inland Container Corporation. She moved to Gosport in 2006 to be closer to family. Since retirement she has catered weddings and social events in between time spent with family.

She was born to Leonard and Mary Alice Budd. She is survived by her younger sisters, Devra of Indianapolis, and Tracy of Indianapolis, and by her brother Ronald (Ron) of Indianapolis.

She is survived by her ex-husband and best friend: Jerry Wainscott of Gosport, and by her three children: Chris Wainscott of Gosport, Greg Wainscott of Gosport, and Mitzi Graham of Indianapolis. There are also 8 grandchildren and 3 great grandchildren that survive her.

Mildred loved to cook and bake. She embellished holidays and special occasions with good food, desserts and homemade candy. She loved making wedding cakes and baked hundreds of them during her life. Her home was a refuge for her family but especially for her granddaughters who will miss dropping in for a glass of cold lemonade or sneaking over for a handful of candy. She leaves behind no enemies. Friends and family will remember her for her kindness and love and decency and for her devotion to God.

“ Chris, Greg, Mitzi and Jerry, Kori and Terri and all the grand-babies and great-grand-babies. My deepest thoughts and prayers go out to you all. Mildred holds a special place in my heart and memories. She always treated me a one of her kids and I will miss her sweet smile and warm heart. I love you all because you all have made me a part of your family and your mom was my mom when I first moved back to Indy.

Mildred and I went to Spencer school together. I remember her as a fine and dear friend. I lived with Mildred and her family for a while when I first moved to Indy. They all were kind people. My heart goes out to all her family members.
