“ To Myrna's Family,
Please accept my great sympathy for the loss of your beloved Myrna. I have known Myrna at Bell Trace for several years. After meeting her, she immediately became a favorite of mine! She was lively, sweet-natured, and an expert at repartee. She was in a balance class with me and we always had fun doing the required exercises and playing games that were part of the class. She talked about her being a native of Bloomington but also of her life and work in Florida.

I saw less of Myrna when she moved into the assisted living area, but every time we did meet, she always had something funny and cheerful to say. I shall always remember her with pleasure and will always miss seeing her at Bell Trace. It has been my good fortune to know Myrna.

*Sincerely,
Harriet Pfister*
