“Naaman was a genuinely good and caring man. He always saw the good in everyone and was always so positive and upbeat. He had such an infectious smile which I will always remember. He touched my life as he did so many others and I feel blessed to have known him. He was respected and admired by all of his co-workers at Intech Printing and will be greatly missed. He has been taken from his family and friends way too early. May you find comfort in knowing that he is always with you and watching from above.

Fondly,

Alyson
