“ I always admired Pat's strong level of faith and her kind, forgiving spirit. When I think of her today this message seems to fit her so well.

*I have sunlight in the morning in shades of gold and red,
And songbirds serenade me before I'm out of bed.
I have flowers in my garden fit for a queen's bouquet,
And I know that God has blessed me before I kneel to pray.
I have food for my table, and some that I can share.
God's goodness and His mercy follow me everywhere.
I have a family to love me and friends to see me through,
But best of all, God's promise....
All this and heaven too!*

*Surely goodness and mercy shall follow me all the days of my life.
Ps. 23:6
RIP my friend.*

“ Some of my greatest memories as a teenager are, because of Pat. I remember every year her & John would faithfully take me along to church camp as if I was their own child. I also remember just about every weekend she would welcome me into her home and she made the best upside down pineapple cake. So many special memories of a special lady.
