“ Every time I think of R. E. I think of the trip Charlie & I and R. E. & Faye, and Gerald and Sharon made to Tennessee on our motorcycles. I got sick and had the most horrible trip coming home. R. E used his humor to try and make the best of a bad situation. Every time we stopped R. E had us all laughing about something. He has always been a good neighbor and friend. I will miss seeing him walking in the yard with his overalls and hat on always working to make his yard look beautiful. RIP R.E.
