“ Rex was my Father-n-Law and he was one of the finest men you would ever want to meet, Only one person I ever called Dad besides my father and it was Rex because I felt he was the kind of father anyone person would want. Rex was a family man that loved his wife Lola and two children Mickey and Louise. Would go to the moon and back for them. Love You Dad and will miss you very much.

Betty and I are saddened to learn of Rex's passing. Although he was a couple of years behind me in school we played ball together. He is a part of my Quincy memories. We extend our sincere condolences.
