Dick was a great man. He would always make me smile and laugh whenever I saw him. He will always be the GREATEST checker player ever. I enjoyed playing checkers with him. The games were quick but fun. He always won hands down. My prayers for the family.

“*Dick was very special Father to me. He had been a part of my life since I was 16 and I now am 51. Through all of these years and understanding life more as time goes by, I know in my heart that he truly loved my Mother, Sharon Greer. A little bit of her goes with him where ever he may be, whether it here on earth or in the heavens.*
