“ I worked with Rick for many years and he was a wonderful person to know and to be around. He always had something funny to say, brightened others days and was the first to pitch in and help! He was a true hard worker and had a passion for his line of work, giving of himself more than one could imagine. A true blessing to have known him and worked with him. He was a one of a kind; don't find them like him! So sorry for your loss of Rick and prayers are going out to the family. - Tina Dixon (former co-worker at Smithville Telephone)

“ *To the Rick Fishel Family:*

We want to send Thoughts & Prayers to everyone. I met Rick several years ago when we were employed @ Smithville. He was one who welcomed me with a handshake and a hearty Welcome. Rick was so caring and always wanting to help, no matter who it was. In the summer he used to share his garden with us, made my Wife so happy as she Loves cucumbers!.

Just a great, caring person, we all could learn from him, and we are so blessed to have him to call a friend and he will be greatly missed. So long for now my friend, and as we used to say 'That's what Friends Do'

“ *What a great guy he was. I became acquainted with him at Bethany Church many years ago when I gave it my best to help teach the teens. I run across Rick from time to time over the years and he would always mention something that we discussed or learned during these classes. My prayers are for all of his family. He will be greatly missed. Donna Keefover Woodruff*
