“ So sorry for the family's loss. Ronnie was a good guy. I've known him all his life as our mothers were best friends. Two things come to mind when I remember Ronnie...playing house when he was just a baby at the big house on Porter Ridge. I was his pretend mother. When I got in the car to leave, Ronnie cried so hard for me to come back. Also, how he had to have an onion with his lunch & dinner, every day. When he would stay at our house mom would peel an onion and put in on a saucer for Ronnie. Ronnie spent a lot of nights at our house over the years as kids. Prayers go to his family as I know how much they loved him. He will be missed!
