“ I've known Roy since we were kids / his family, brothers & sister (Janet). His family and ours have been great friends for many years (my, brother Stan (who also passed away was great "buds" with Roy, Leslie & Gary). We have many great memories through 4-H -- attending school in Gosport, & Lazy Days - the list could go on and on. It's never easy understanding why we loose a family member or friend when the "timing" doesn't seem right to us. I'm sending this special message to Roy's family to let them know -- you are on my mind and I wish all of his family my warmest thoughts as you go through this sad process. I will be sending a donation to the Owen County Community Foundation in Roy's memory.

Best Regards,
