“ *My mom fought a good fight. There wasn't a stronger person around. To the people who supported her, God bless and to the people who let her down, you made a big mistake because she was taking the high road and is now definitely above it all.*

“ *Several years ago I worked for the HT and Sandra was my contact for my account(I think it was Danners). I always enjoyed our enjoyed our conversations and respected her very much and we had much in common. Through the years I have lost track of her as the business closed and I moved in and out of the area. I was sad to read of her passing as we were near the same age and we always laughed about that. Blessings to the family.*

“ *Sandra was my neighbor for the last couple of years. Although I did not know her well, I knew she had a kind heart. She did not hesitate 2 years ago when I asked her if she could feed my dogs while we were on vacation. She said, "that's what neighbors are for". I wish I had gotten to know her more. She was a lovely lady and mother that loved her children very much.*
