“ *Just to say, I loved her. Even tho we didn't see each other a lot, I thought of her and wondered how she was doing. She was such a welcoming person. I do have memories of some times when we were young that I won't share, but to me, she was a special person & a special friend. I wish we all didn't get so busy with our families that we neglect friends. When Sheila & Steve got back together "years ago", we were so happy. I had prayed much for that. They belonged together!!! Whether I saw her a lot or not, I will miss her.*
