“ I've had the pleasure to know this family, for a long time. I spent nights at their house, worked with their daughters Angie, and Becky. I felt like I was a part of the family. Shirley always teased me, called me Debbie from Druthers, and that was fine. I some time here lately with Shirley getting lab work done, and she always knew me, and would talk to me as her own. I want to give my condolences to the family during this time of hardship, and after. If you need anything, I'm always here. Hang in there girls!!!! Love ya!!!!  
Your mom knew you did all you could to help her, and she loves you all very much. She will be watching over you all.
