“ Stacy, I may not have been as close to you in the last few years as we had been in the past. We have been good friends for over 33 years, not many people can say that! You have been there for a lot of people, for many years, in many ways. Thank you for always being a positive inspiration and always finding the silver lining in even the toughest situations. I will miss seeing your posts on Facebook and the latest pictures of your family and grandchildren. You have a special place in my heart. I love you

“ My dear friend and sister, How do I say enough to tell you I love and miss you. I will never forget how much you helped me and supported Billy and I through some of the worse storms; your smile and joking ways to make us all laugh when things seemed hopeless. You were and always will be the Lords special angel and I can't wait to laugh with you again when I go home. Until then so long my dear friend .God Speed Jennifer & Billy Biltz

“ *Stacy loved life, her friends and family. She had struggles that many people didn't have, but she grabbed life with both hands. She thought she could fix whatever or whoever was broken. She was always there for anyone she cared for. From the first time I met her, we felt we were forever friends. I look forward to seeing her again. She will be forever in my heart. Till we meet again, My Dear Friend!*
