“What a beautiful woman Sue was, both inside and out. I had the privilege of being neighbors with Sue. She always had a smile on her face and was eager to check on you and just wanted to let you know how much she cared for everyone. Although its been nearly 30 years since I've seen Sue, I still have such wonderful memories.

My condolences to Debbie and Donnie. You both know that God blessed you with such an amazing mother!

“I grew up hearing about Sue and summer visits to Aunt Ennies and Uncle Roy's from my mother, Lois. From the stories they told and the way they giggled like school girls when together, their bond seemed more like sisters than cousins. The times I spent with Sue were memorable - her beautiful smile and warm personality left a lasting impression. May the angels wrap their arms around you all to comfort you at this time.

“Debbie and all Sue was such a special lady. I'm so sorry to her of her passing. I thought the world of Sue. I really only got to see her when she came into Molly's but I enjoyed her so much when she did. She will be sadly missed. Hope you are all doing well and know that your mom was amazing. “What a beautiful sweet lady! Always smiling. I'm sure there were days that she didn't feel well but she always smiled and never complained. She made you feel like you had known her for ever. I wished that I could have known her outside of work because I'm sure she had tons of friends. What a lovely lady she was. So glad to have met her and know her as I did. “I can't just choose one memory of Sue and I can't even remember the first time I met her. I do know somehow it was through my cousin Vickie, which Sue was her best friend. Sue became part of our family and was around us a lot over the years. I adored both her and Warren. Sue will be sadly missed by all of us. Sue, tell Warren I still think of him often when you see him. Love you.

“I just loved Sue! Sue and I were good friends through our friendship with Billy Crash Craddock. She was a great friend, and although we didn't see each other very often, it was like we hadn't missed a beat when we were able to get together. I will sure miss her!

“ On April 16, 1976 I first arrived into the U.S. with Ronnie and the next day Sue and Warren came to Grandma Coys house. She gave me the biggest hug and made me feel so welcomed. From then on I knew that she was my sister for life.

“ Sue was my very best friend/sister to me & my family. We would talk on the phone everyday, sometimes 2-3 times. Went to get ice cream & just go out for a drive. I am going to miss her so much. Rest in peace sister you have received your reward. Someday we will meet again. Love You

“ I am so saddened to hear that Sue passed. I became friends with her when my friend Carol Clark Dawson and her daughter Susan introduced her to me when we went on A Billy Crash Craddock Show Trip, several years ago. She was one of the nicest ladies I have ever known. I feel blessed to have known her.
