“ Dear Family,

We were so very sorry to hear of your loss. Reflecting on what Job asked in the bible, "If a man dies can he live again?" That is such a sobering thought and yet he stated that "I will wait until my relief comes." Also, a couple of scriptures that comfort us and may comfort you as well is Revelation 21:3,4 and it tells us that one day there will be no more sickness, sorrow, pain and death. Also, at Psalm 83:18 it tells us who God is so that we can be sure that the scriptures mentioned will definitely take place and you will see your dear loved one again. YES! death will be a thing in the past. That comforts us and we sincerely hope it will comfort you as well. For more encouragement along this line, please visit jw.org.
