“ Hi Aunt Vicky.. I can't believe it's already been a year since you've been gone. I don't think a day has gone by where I haven't thought of you.. Today I'm thinking how badly I wish you could be here for Alice's first birthday in a couple weeks & how it pains me you never got to meet her or even see pictures of her.. though I suppose there is a chance you did before she came Earthside.. I really hope so. I miss you & love you so much! I hope you're doing well up there.

“ *Vicky was one of the kindest people I've ever met. She opened her home and her heart to everyone. I'm so happy that my boys and I were given the opportunity to know her. I'll miss her smile, the big family meals, chats over coffee and especially her advice. She was the type of person who left a mark. I'm a better person for having known her.*
